

# SAFE FROM BLOWS

A Science Demonstration

Ephesians 6:11

IN EPHESIANS 6:10-20, THE  
CHRISTIAN'S LIFE IS  
DESCRIBED LIKE WARFARE.

# OUR ENEMY IS SATAN, BUT WE HAVE AN ARRAY OF WEAPONS WE CAN USE . . .

- Truth
- Righteousness
- Peace
- Faith
- Salvation
- Word of God
- Prayer and watchfulness

# MATERIALS NEEDED:

- Heavy pine board or a 2 x 4 about 1 foot long
- Hammer and nails
- Large book, preferably with a soft cover
- A volunteer!

# EXPLANATION:

- Almost all of the hammer's energy goes into the moving nail.
- The supporting board and book move very little because of their combined inertia--the natural resistance of objects to any rapid change of motion.

# APPLICATION:

- Satan can hammer us with problems and temptations, but the armor of God protects us and absorbs all of the harm Satan tries to inflict on us, so let us “put on the whole armour of God, that ye may be able to stand against the wiles of the devil” (Ephesians 6:11).
