Introduction—Guarding the Old Hands

Lesson Study—Thrones of Worship, Concluded

A Story of Developing Faith—Concluded

Thought to Remember

They are the old hands that have helped with their means and with their physical strength and with their mental powers, and we want to say to you, Let not your heart be troubled . . . Now I want to say that I feel like guarding the old hands in the work. (*20LtMs*, Ms 189, 1905, par. 12, 13)
