**The children and youth are to be taught that their capabilities are given them for the honor and glory of God. To this end they are to be taught the lessons of obedience; for only by lives of willing obedience can they render to God the service He requires. Obedience to the requirements of God's Word will yield in the lives of parents as well as children spiritual help and blessing.**

**As parents and children co-operate in seeking to reach God's ideal for them, they will bring strength and blessing to each other. And joy and satisfaction will come to the hearts of parents when they see, as the fruit of their labors, their children growing up in the love of the truth and endeavoring to reach the fulness of God's purpose for them.
