

GOD'S GRIEVING CREATURES

John 11:35 “Jesus wept.”

Luke 19:41 “And when he was come near, he beheld the city, and wept over it,”

Matthew 26: 37-38 “And he took with him Peter and the two sons of Zebedee, and began to be sorrowful and very heavy. (38) Then saith he unto them, My soul is exceeding sorrowful, even unto death: tarry ye here, and watch with me.”

Dogs and Cats:

**Refusal to eat, howling
or meowing, clinginess,
and pacing.**

Elephants:

**Cry, stand guard,
touch remains with
their trunks, bury
the dead with dust,
and may visit the
bones for years.**

All Primates:

Withdraw from the group, refuse to eat, become lethargic, stand watch or guard the deceased member, often carry around their dead infants for weeks, and hug one another.

All Dolphins:

Mothers have been documented pushing their dead calves through the water or carrying them on their heads for days to weeks.

Giraffes:

Standing guard over a dead calf, the herd may form a protective circle around it, and they may engage in neck wrapping.

SNAKES:

**DO NOT GRIEVE. SOLITARY
CREATURES. DO NOT
COMPREHEND LOVE.**

Matthew 5:4 “Blessed are they that mourn: for they shall be comforted.”
